

Beacon Sloop Club Broadside

Volume 35, Issue

November 2008

Serving Hudson River Sloop Clearwater with Pride for 35 Years

Message from Our President:

The Pumpkin Festival was a rousing success. Rosemary Thomas did a great job of coordinating the whole event. Everyone involved worked hard to make it happen. We baked and sold 80 pumpkin pies. This may be a new club record! The weather was perfect and we had many guests.

Special thanks to the Woody crew who managed to do guest sails even without the electric motor.

Here we are at the beginning of November. With the festivals over and the Woody out of the water, some might think that the BSC would be entering a “quiet” part of the year. That is not at all the case!

We have club elections coming up at the next meeting. We have a firewood cutting party coming up on the 22nd of November. Work on the Woody has already gotten underway with de-rigging. There will be plenty to do up at White's before the boat is ready to sail again.

We'll be finishing up the construction of the new storage area on the North side of the clubhouse.

There is a lecture series being planned for the winter months. It will include guest speakers on a range of environment-related topics.

The BSC is a year round club, with interesting stuff to do whatever the weather.

See you at the river!

Saul

City _____ State ____ ZIP _____ - _____ Phone ____ - ____ - _____ Email _____

Amount Enclosed \$ _____. ____ Renewal ____ New Member ____

Are you a Clearwater member? ____ Would you like information regarding a Clearwater membership? ____

Would you prefer to receive your newsletter in printed format or in e-mail format? _____

Please include your e-mail address if you want your newsletter e-mailed to you.

Membership suggested donation \$25.00. Minimum of \$10.00. Please give more if you can afford it!
If you can't afford the minimum, the fee may be waved.

Mail to: Beacon Sloop Club P.O. Box 527 Beacon, NY 12508

The **Beacon Sloop Club Broadside** is the official monthly newsletter of the **Beacon Sloop Club, Inc.**

The **Beacon Sloop Club, Inc.** is a non-profit, volunteer environmental education/action and sailing organization dedicated to cleaning up the **Hudson River** and its environs. Our main focus is the **Beacon, Fishkill** and **Newburgh** area.

Members meet the first Friday of every month at the **Sloop Club Building** located just across from the Beacon train station. Look for the building with the Norway spruce tree growing out of the roof! A potluck dinner starts at 6:30 p.m.; bring a covered dish to share and your own place setting. The general meeting starts at 7:30 p.m. and lasts about an hour or so. The meeting is followed by a sing-along.

The Beacon Sloop Club and newsletter are accessible from the web: www.beaconsloopclub.org.

Beacon Sloop Club General Meeting Minutes, November 7, 2008

The meeting began with the singing of a modified version of the song "We Shall Not Be Moved" courtesy of Michael Scolnick.

The Meeting was then called to order by President Saul Rozinsky.

Pumpkin Festival

Saul extended thanks to all who made this festival a success. 80 pies and 5 pots of chili were made as well as apple fritters made by Ron Bel. 150 pumpkins were sold. We made approximately \$3000 dollars.

Betty Harkness raised money to purchase a model windmill for our environmental –energy display.

River Pool report by Cindy

The River pool was in the water for a full 9 week season. Over 1500 people used the pool. Riverkeeper has been doing water testing up and down the Hudson and the water here in the Newburg Beacon Bay is clean. The annual swim across the Hudson was successful with over 300 swimmers and 85 kayakers. Cindy thanks all those Sloop Club members who helped out. Currently the pool is being stored at the University Settlement but this site can only be used this year. The River Pool has received a grant from the Hudson River Improvement Fund to build two sheds at the park. They will be used for storage and as a place for lifeguards to take a break. Annual Meeting is November 16th 11 AM to 3 PM at Bowdoin Park just north of New Hamburg. There will be food, music, reports and elections. All are welcome but please RSVP!! Contact Cindy at 831-1839 for more information.

Building and Maintenance

The Sloop Club didn't have a grant, but several volunteers have also built two storage areas on the sides of the Sloop Club, one for storing firewood and the other for storing equipment. Thanks to Kurt Hauck, Aaron Havens, Ron Bel, Bill Hudson, Saul and Bonnie Rozinsky and Betty Harkness. Considering today's world we have an amazing group of volunteers. And it seems that we are attracting new and younger volunteers. We voted to provide support for the Day for the Earth Festival, now we need volunteers to help out and to represent the Sloop Club at the festival. There will be a wood cutting party November 22nd. Bring your chainsaws axes and wedges as well as a good pair of gloves.

Beacon Mural

We are continuing to assist in raising money for the Beacon Mural. It will be part of the Quadricentennial Celebration. The Artist Rick Price will be holding an open house Saturday Nov. 15th from 4 to 5:30 PM for those who wish to see the actual work in progress,

Treasurer's Report

We made \$3000 from the Pumpkin Festival and received a donation of \$2400 from the Country Joe McDonald show sponsored by The Piggy Bank and Sukhothia Restaurants. Many thanks for their gracious support. We also paid an \$11,200 insurance bill leaving us with a balance of \$33,634. Vendors contribute almost \$6000 to our budget.

Our Treasurer Jim Finnigan will be retiring at the end of the year. He has done an awesome job and we all need to thank him for his efforts. For the last year we have had very detailed and readable financial reports every single month. Thanks again Jim.

Woody Report: Jim Birmingham

The Woody is at Whites Marina and will be taken out of the water this coming Saturday. We are waiting on one more estimate for the costs of repairing the centerboard leak. We also have a problem with either the motor or the batteries which supply power. The batteries were taken out and will be assessed. Total cost of replacement is \$8000 based on last year's estimate. Jim thanked all the captains and sailors who managed to keep the boat sailing in spite of its problems. And he expressed thanks for Susan Berliner who schedules people to sail.

They have all done a yeoman job. (Does this mean that the yeoman works harder than anyone else?) Bruce Fox was promoted to mate and Chris Ancliffe was promoted to Captain.

Nominations to Office for the coming year

President: Saul Rozinsky, Steven Swartz, Dan Searles.

Vice President: David Cohen, Claudine Craig

Treasurer: John McLaughlin

Secretary: David Eberle

Statements by candidates and Elections will be at the December meeting.

Respectfully submitted

David Eberle Secretary

400 years ago this month

In November 1608 the directors of the Dutch East India Company sent a letter to Henry Hudson offering to pay his expenses if he would come to Holland to meet with them.

At their meeting, while impressed with Hudson, several directors were unconvinced that he could find a passage to the Indies. One influential director wrote, "Master Hudson's plans are not a good investment for the Dutch East India Company." They paid his expenses and dismissed him.

Along the Muhheakantuck or Shatamuc the native peoples prepared for winter.

Planning the Tercentennial

The Plan and Scope Committee of the Hudson-Fulton Celebration Commission was appointed on May 17, 1906. The chairman was the Hon. Frederick W. Seward, former Secretary of State in the administrations of Lincoln, Johnson, and Hayes. They drafted a plan for "...a great non-commercial and educational commemoration, designed to instruct or own people in their history and to increase their civic pride; and also to cement more firmly our friendly international relations."

Executive Committee Meeting Minutes Tuesday, October 28, 2008

Called to order by Saul Rozinsky

Pumpkin Festival was a success.

There was a brief discussion about increasing diversity of music. Saul indicated that this had been tried before, but that other bands and groups wanted to be paid and that we don't pay groups to perform. Furthermore, there is no evidence that our music selection is affecting attendance at our festivals. Anyone knowing of a group that is willing to perform free can ask them to submit a CD to the music committee.

Treasurer's report

We made approximately \$3000. But we have had to pay an \$11,200 insurance bill. We will need to continue to getting grants to pay for repairs to the Woody.

Building Report

A new storage area is being added on the side of the Sloop Club Building. Some wet rot and termite damage was discovered in the lower section of the wall on the north side of the building. It is also suspected that the other walls have similar damage. This is most likely due to the recurrently flooding of the lower level of the building. This damage was repaired on the one wall no action was taken with regard to the other walls.

Woody report

There is a problem with either the motor or the batteries, this is being evaluated. New batteries would cost \$8000. We are waiting on one more bid before accepting a bid and beginning repair work on the Woody.

The meeting was adjourned.

David Eberle Secretary

Greetings from the Beacon Sloop Club Environmental Committee:

A meeting of the Environmental Committee will take place on Friday November 21st at 7:00pm at the B.S.C. Clubhouse. The agenda for this meeting will be the coordination of the Woody Sailor Education Seminars for the 2009 Winter Season. Last year thanks to Dan Einbender and CLEARWATER the Beacon Sloop Club hosted a seminar each month related to the Hudson River history and ecology. For the 2009 we would like to continue this program. Therefore any person interested or knowing of any persons interested in giving a lecture or presentation on some topic related to our environment, or the art of sailing, or perhaps something of a musical nature or tradition, please attend this gathering. If you cannot attend but would like to participate please contact Edmund Fitzgerald III at astrofitz@aol.com or (845) 265-2969.

In closing I would encourage all to take a moment if out of doors and look skyward or earthward and perchance observe some of the great and small signs of nature in transition in this fine Autumn Season. Be well.

Woody Maintenance

Thanks to the 20 members who showed up to work on the mast, centerboard and Woody haul out on Sunday morning. All went well. Some additional rot was found at the forefront of the keel, but

never fear, we have two shipwrights examining the boat and giving us estimates Tuesday morning.

After we put the frame up over the Woody, I'm planning on leaving it to the professionals to work on major repairs. At some point you have to acknowledge that the work is way beyond volunteer level and maintenance needs to resume after the big jobs have been knocked out.

Stay posted for news about when we're putting the frame on the Woody and also who will be doing the Woody work. I also KNOW we (volunteers) need a major caulking initiative this spring.

We're still working on grants-give Kevin and I a call if you have ideas.

Thanks,
gigi

November 19th is the 145th anniversary of the Gettysburg Address

Four score and seven years ago our fathers brought forth on this continent, a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal. Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battlefield of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this. But, in a larger sense, we can not dedicate—we can not consecrate—we can not hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us—that from these honored dead we take increased devotion to the cause for which they gave the last full measure of devotion—that we here highly resolve that these dead shall not have died in vain—that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.

Pumpkin Festival

Attendees enjoyed a sunny, breezy day at the river front. The festival began when Pete Seeger bought the first slice of home-made pumpkin pie. Our advance publicity and good weather gave us a large crowd and there was soon a line behind Pete.

The crowd enjoyed great music, food provided by sloop club members and our vendors, and many exhibits. The Woody crew gave two sails with a stiff wind and no motor, quite an achievement.

The eighty pumpkin pies baked by the BSC volunteers were a crowd pleaser. Ron Bell's apple fritters were popular as always.

Hot coffee, run by our ten year old entrepreneurs Blaine and Robert, had a steady business. We went

through four big pots of chili, five gallons of pumpkin soup, and seven gallons of apple cider. Everything sold out very early.

The pumpkin stand did a brisk business, with over 150 happy customers. Nearly everyone asked about the three giant pumpkins donated by Tom and Amy LaBarr and many a child had their picture taken with them.

The environmental tent had an unusually good display with eels, pumpkin seeds, and a channel catfish. The membership tent sold T-shirts, hats, and Hugg-A-Planets donated by the inventor.

Many thanks to all the volunteers who made this possible, particular thanks to the pie team who started baking at 7:30 AM Saturday, to the set-up crew who arrived at 8AM on Sunday to unload pumpkins, put up tents and sound systems, etc. and to the clean-up crew who stayed late.

Rosemary

BSC TREASURER'S REPORT Pumpkin Festival 11/07/2008

Submitted by Jim Finnigan

Total Festival PRELIMINARY Profit	\$3,084.84		

The Beacon Sloop Club would like to thank:

Roe's Orchards

3278 Route 94, Chester NY

for donating the apples that were used in the fritters at our last two festivals and their continued support. They provided a big box of apples for the Alternative Energy festival and another big box for the Pumpkin fest. Roe's Orchards is retailer of local produce located on Route 94, between Washingtonville and Chester.

THE CLEARWATER MOMENT daily at 11:11 am on WAMC, or affiliate; Saturdays, 9 AM - 2 PM. This two-minute daily gathering of knowledge will activate, educate, and inspire with interesting stories and facts from our natural world, music from Pete Seeger and others, and stories of people and their power to effect change. www.clearwater.org/wamc.html

100 Years ago- Tercentennial Post Card

Summer of 2008

Ah to be a Woody sailor!

Below is a poem Gigi Fris wrote after coming home from a Tuesday night sail last June.

11pm on the Woody Deck

It's a Sagittarius full moon
Toying with stolid
anvil clouds
Rumpling their silver edges
Blurring fact and fiction
Captain Pat's wrestling a serpentine cable
forty feet above us
His headlight dangling-
a Degas cutout star
Glued upon a sharp
sapphire sky.
Edmund pumps the leaky bilges;
They're slurping up a backbeat
to his baritone seesaw
Heel your ho boys, let her go boys
Sailing homeward to Mingulay
Steve and Ken holding halyards
like taut swords while trading
DNA trivia
As Gigi saunters Long Dock with Leto
the visitor from Singapore
shooting stills of Beacon's skyline;
Peering into his crystal monitor
she recognizes the sturgeon
of Finn McCool
A misty reflection
dropping scales of wisdom*
From jocund Lady Lune

**according to Celtic legend, the giant Finn McCool accidentally gained the world's wisdom by licking the cooked skin of the sacred salmon. Of course, I substituted sturgeon for salmon here.*

Thanks! gigi

I think people should be allowed to do anything they want. We haven't tried that for a while. Maybe this time it'll work. – **George Carlin**

Captain's Meeting of October 18, 2008 Summary:

Attending: Captains Tom LaBarr, Kip Touraine, Patrick Gallagher, Jim Birmingham

The promotion to Captain of Chris Ancliffe and the promotion to Mate of Bruce Fox were discussed and unanimously approved. Issues of safely operating the Woody with the motor not working and continued severe leaking in the hull were discussed and the consensus was to continue to sail until October 25 when we would bring the boat up to White's marina for hauling. It was agreed that replacing the centerboard trunk and repairs to any structural defects found after we haul the boat should be the priority of this years winter maintenance activities. New batteries are also needed and should also be considered a priority.

Sailors Meeting of October 18, 2008 Summary:

The Woody Sailors were updated on the conclusions from the Captain's meeting. All Captains expressed their sincere thanks to all the Sailors who made the season such a tremendous success. It was noted that the Woody participated and provided guests sails at 12 events this year, several included overnight stays with multiple crews and Captains requiring extensive cooperation and coordination. This is in addition to our regular 5 nights a week sails throughout the sailing season. Elections were held and Jim Birmingham was named Chairman of the Woody Sailor's Committee, Ben Maser was named Secretary and Gigi Fris was named Winter Maintenance Coordinator.

Respectfully,

Jim Birmingham

Q:What's bright, bold, loving and LARGE?

A: The mural, silly!

On Saturday, November 15th, there will be a viewing (premiere, if you will) of Rick Price's mural in the Old Beacon High School's gymnasium. Calling hours are between 4pm and 5:30 pm. We invite you to take a half an hour of your day to just come on down and take a peak.

We will have refreshments ready, and Rick will be on hand to answer your questions and hear your suggestions, although it is about 90% completed. It's such a lovely and positive piece, and I want all the BSC member's to get the first chance to check it out!

See you there!

Sincerely,

Gigi Fris, Kevin Haydon and Rick Price.

Thank you to these supporters:
Dutchess County Arts Council, The Puffin Foundation, The Woody Guthrie Foundation, Michael Benzer-Hudson Beach Glass, Beacon Quadricentennial Committee
