

Beacon Sloop Club Broadside

Volume 39 Issue 5

May 2012

Serving Hudson River with Pride for 39 Years

A Message from Our President:

We had a large, joyful, and raucous crowd at this meeting to wish Pete Seeger Happy Birthday. We all sang Happy Birthday and shared in his birthday cake. It is just amazing to see what one man with a banjo and an idea can do. He has influenced thousands who have become a movement and the voice of the folk, ordinary people like you and I. On one side of the country in Portland, Oregon, my daughter is at the Waterkeeper's conference and talking with Robert Kennedy Jr. about Peter Seeger, Clearwater, and the Beacon Sloop Club and here I am on the other side of the country celebrating his birthday with him. And so the legacy passes on to the next generation. Happy Birthday, Pete, may you have many more.

Now a brief word about the raucous nature of the crowd; I know that for some of you this is a time for seeing old friends and renewing friendships, so there is always a lot of conversation. But we need to remember to be "decorous". There is a time and place for talking. At 7:30 PM the business meeting starts. The business of the club is important and needs to go on. The ongoing conversations were so loud that it was difficult for the speakers to be heard, even with the microphone. If you want to carry on a conversation it would be better if you would step outside so that others may listen to the business meeting and know what is happening. Enough said.

The Woody Guthrie is in the water swelling up so that it will be ready for a summer of sailing. It seems ironic that it takes water to make the boat watertight. There is still work to be done on the boat before it can be brought to Beacon. The moorings have been placed in the Harbor thanks to the Harbor crew.

The Building Committee has recommended to the Board that we accept club member Aaron Havens' proposal for fixing the south roof, the tree well, and the indoor flood damaged walls. The cost is \$11,500 which is covered by grant money. They will need to be some volunteer work.

The first work party is scheduled for Saturday May 12 at 10AM. We will be pulling of the old roof structure around the tree so that repairs can be made. We will also be cutting up driftwood into firewood so bring gloves, chain saws and axes. Contact David Eberle, Saul Rozinsky or Claudine Craig to volunteer.

Rosemary Thomas, Susan Berliner, and Phyllis Newham are beginning work on the Strawberry Festival. We need all hands on board to have a successful festival. Please contact one of them to volunteer. It's a great way to experience what is best about the Sloop Club, the sense of community.

The Regatta Committer is progressing with the Regatta planning. To introduce the Regatta we plan to have musicians on both sides of the river singing Woody Guthrie songs, in Songs Across the River on Woody Guthrie's Birthday Saturday July 14th

So until then let's work hard and then party hard.

Sincerely,
David Eberle

Inside this issue:

The Woody's back in the water, happy birthday Pete, a call for May and June volunteers, and much, much more....

NEXT EXEC. COM. MEETING IS Tuesday, May 22nd 7:00 p.m.

NEXT MEMBERSHIP MEETING IS FRIDAY, June 1st, 7:30 p.m., Potluck at 6:30 p.m.

The **Beacon Sloop Club Broadside** is the official monthly newsletter of the **Beacon Sloop Club, Inc.**

The **Beacon Sloop Club, Inc.** is a non-profit, volunteer environmental education/action and sailing organization dedicated to cleaning up the **Hudson River** and its environs. Our main focus is the **Beacon, Fishkill** and **Newburgh** area.

Members meet the first Friday of every month at the **Sloop Club Building** located just across from the Beacon train station. Look for the building with the Norway spruce tree growing out of the roof! A potluck dinner starts at 6:30 p.m.; bring a covered dish to share and your own place setting. The general meeting starts at 7:30 p.m. and lasts about an hour or so. The meeting is followed by a sing-along.

The Beacon Sloop Club and newsletter are accessible from the web: www.beaconsloopclub.org.

To our postal mail subscribers:

As you renew please consider converting to an electronic subscription. It saves \$\$s and paper.

Beacon Sloop Club General Meeting Minutes, May 4, 2012

Welcome: Club President David Eberle welcomed first-time visitors – from Beacon, Poughkeepsie, New Mexico, Cold Spring, Hunter Mountain, Rutgers – and Cathy Olen, Catskill Mountainkeeper!

Pete's Birthday: the meeting marked Pete Seeger's 93rd birthday with a rousing Happy Birthday, a cake and much admiration. Later Pete led the Circle of Song in an inspirational rendition of "My Rainbow Race".

Rainbow Race: <http://www.youtube.com/watch?v=cev8Zy-A9Y0>

Happy Birthday: <http://www.youtube.com/watch?v=B-IZPNFssxQ>]

This video was taken by Nadine Rehear to share with Norwegian families and gatherings singing the Norwegian version of Pete's song, 'Barn av Regnbuen' all over Norway in protest of testimony at the trial of the Norwegian mass murderer.

Treasurer's Report. The treasurer was not in attendance. The full treasurer's report appears elsewhere in the *Broadside*.

Building & Patio. Claudine Craig reported that after reviewing four bids Aaron Havens won the contract to begin building repairs as described in previous bulletins. David Eberle is hosting a firewood party on Saturday, May 12, at 10am at the Club.

Environmental Committee. Alan Thomas, reporting for Steve van der Merwe. On April 20th Eugene J. Boesch lectured on Native American cultures and adaptations in New York from the earliest occupation by humans, at least 13,000 years ago, to the 1600's. The last presentation in the series is coming up on Fri., May 18th at the Club at 7pm. "ORGANIC GARDENING IN CUBA", a presentation by Nora Hamond-Gallardo, includes a brief history of Cuba and explains the unique culture of Cuba's "naturally" organic food production.

Strawberry Festival (June 10). Rosemary Thomas, Susan Berliner, Saul Rozinsky, Tom LaBarr. Volunteers needed for the festival and prep including the five zero waste earth care stations (call Betty Harkins) and the May 19 sign-painting. Pre-fest activities include tent raising, oven placement & testing, strawberry hulling and flour mixing at the Tom & Aimee LaBarr's beginning at 10am Saturday. Rum, chocolate strawberries, lunch provided.

Woody Report. Tom LaBarr. The Woody is in the water! Maintenance continues every Sunday from 10am – 2pm at White's Marina in New Hamburg. It's not just for sailors. Steve Schwarz is still looking for Clearwater festival sailor-volunteers. Contact him for details.

Fundraising. Rosemary Thomas as mentioned above, updated the Woody fundraising chart whose sail unfurls up the mast to indicate amounts donated. David Eberle continues to match donations of \$100 or more up to \$1500. A starving iron fish circulated in the Club during the meeting and has temporarily staved off hunger with a total of \$150.

Announcements:

Joyce Hanson invited all to a May 17 meet & greet for the Niagara kayakers, at 8:30pm (call (914)907-4928 ; **Manna Jo Greene:** On May 17 at 5:30 there will be a demonstration by shutdownindianpoint.org in Tarrytown at an NRC public hearing at 6:30. Call Manna Jo at Clearwater for details. Clearwater is distributing 500 copies of a video with five Fukushima first responders to local police, fire and emergency personnel. On May 14 at 10am volunteers are requested to help with labeling and mailing at Clearwater

On Wed, June 6 at the Croton nature center from 6:30-9:30 there will be musical evening including hornpipes and the 'funny guy' Chris Cowen from 8 to 12 midnight; Contact jodiechilders@gmail.com with suggestions for interviews documenting historical Sloop Club moments and people; Tues. May 15 is a notable day of action in Albany against Fracking. Meetup 11am at NYS Legislature.

Respectfully submitted,

Vane Lashua, Secretary

I'm not sure who provided the 2nd large cake but I would like to thank Jessica and Captain Chris of Homespun Foods for doing such a great job on both of them.

Cake and many musicians made for a festive meeting!

Regatta News

The Living River Regatta is a new event for the Sloop Club this year. **Registration is now open** so if you are interested in racing or know someone who may be interested don't hesitate to join or **get the word out**. The fundraising model is similar to that used by walks and rides where participants recruit friends and others to sponsor them. So, the sooner we get entries the sooner they can start fundraising at

<http://www.livingriverregatta.org>

We will be using a pursuit format for the race so it promises to be an exciting finish.

WHAT THE HECK IS A PURSUIT RACE?

Most people who race in PHRF have a basic understanding of how races are handicapped. Their boat is rated as to its potential speed under a variety of conditions - this information is distilled into a number that rates this speed in seconds per mile. For example, if one boat rates 99 and another boat rates 102, the 99 boat is considered to be 3 seconds per mile faster than the 102 boat. In the great majority of PHRF races a class of boats with different ratings start together, times are taken at the finish, handicaps applied, to establish a 'corrected' finishing order.

In pursuit racing the mileage of the course is pre-calculated, all the boats racing are handicapped to determine how much time any one boat would 'owe' another over that course and - rather than start all at once and figure out the corrections after the finish - the corrections are built into each boat's starting time. Whichever boat crosses the finish line first wins the race. So, even though your boat is grouped into a division for scoring and awards purposes - in pursuit racing you still start on your own time. There may be several possible starting times for your boat - depending on which course is chosen by the race committee on the day of the race.

In the Living River Regatta, the race committee will choose among 3 possible race courses on the day of the race, depending upon wind conditions: a short, medium, and long course (designated S, M, or L). These will allow for the race to be completed in a reasonable time. Therefore, there may be 3 possible start times for your boat. PHRF calculations will be based on the "time on distance" method. Each boat will be provided a schedule of starting times prior to the start of the race and the course to be sailed will be announced no less than 15 minutes prior to the warning flag and horn (see sailing instructions). -- John McLaughlin

Strawberry Workers Unite!

Sunday, June 10th is our annual Strawberry Festival, abounding with opportunities to try your hand as a volunteer. You can work for an hour, a day, or dig right in and join us for the whole ride. It's a great way to make friends, have fun and do something wonderful for the river, the environment, your community and Sloop Club. No experience necessary. All workers are guaranteed equal pay(none) and benefits (satisfaction). Here's what you can do:

Saturday, June 9th

- ❖ **Strawberry Hulling Party** at The LaBarr's 10 AM. Join the merry berry hullers, mix shortcake batter, and perform a variety of important... taste tests. Tom and Aimee provide all necessary equipment and an amazing lunch..
- ❖ **Site Crew** at Riverfront Park from 8AM – 12 noon. Help prepare the site for Sunday – set up the oven, strawberry and environmental tents, vendor layout, electrical, water, haul tables, equipment, signs, etc. Trucks welcome! We never have enough trucks.
- ❖ **Site Watch** at Riverfront Park from 12 – 8. Come down for an hour or two, bring a picnic or a guitar, and spend a lovely afternoon in the park.

Sunday, June 10th – Festival Day. All hands on deck! Don't be shy! You will be welcomed with open arms, open hearts and work gloves.

- ❖ **Set Up:** 8 AM – haul and unload tables, chairs, equipment, etc. Set up the tents and work areas. Trucks welcome!
- ❖ **Loaders:** 8AM – Meet at the LaBarr's to load berries onto the trailer.
- ❖ **Strawberry Tent:** 9AM – 5PM - We need hullers, washers, whippers, bakers, earthcare, servers, goo moppers and gofors. Work for an hour or all day. Jump in any time – there's never a shortage of fun things to do!
- ❖ **Angels of Mercy** – Bring food and water to workers
- ❖ **Beacon Sloop Club Booth** - Woody guest sail sign-up, sell T-shirts / merchandise, provide information and Sloop Club membership.
- ❖ **Woody Sailors** – Contact your captain.
- ❖ **Dock Safety / Lifejackets** – Help Woody guests on and off the dock and provide life jackets / instruction.
- ❖ **Zero Waste Pod – Building on last year's success** our prestigious earthcare / recycling / compost / team needs pod people. Join our dedicated, highly specialized crew to staff our beautiful new earthcare stations and help educate the public (all of our bowls, napkins, cups and utensils are fully biodegradable). If you have a comfortable camp chair that you like, please BYO (we have a shortage).
- ❖ **Crowd Control** – People movers with a gentle touch. The lines can get long and hungry. We need someone to make sure people are in the right line and moving efficiently.
- ❖ **Take Down / Clean Up** – 5 PM. Strike the set! Return everything from whence it came and leave the park looking even more glorious than when we started. This is a great time to help out, especially if you have not yet had an opportunity to work – fresh energy is really appreciated by workers who have been working all day! Trucks gratefully welcomed.

Please call Susan at 297-7692 or Rosemary at 463-4660 for more info or to sign up.

Woody Update- ala Gigi

It's a hectic time with our maiden voyage of the season fast approaching, so again this is a hodge-podge of various updates and thank-yous from my email. The individual crews have started doing the final prep jobs on their sailing nights, so please work with your captain.

The Woody is in the river! She was launched last Friday and has been swelling for a week. The bobstay was re-attached and the mast moved onto horses by the forklift, courtesy of Chris White. The boom was returned to the stacks. Ben rigged the mast on Saturday and John has been working on the lights.

On Sunday we got the doors and benches sanded and varnished, fixed the mutilated corner of the motor hatch, and Baldino hacked the rusted screws off the cabin floor joints and drilled in new ones-he also reattached the floor support that was without a screw.

Thanks to the crew who moved the 12 batteries from the BSC to the Woody: David, Chris Ancliffe, Ed Fitzgerald, Ralph Szur, and Jim F. Apologies to Ken Miller, who arrived at 2:20pm to help but missed the above men. The Thursday night crew installed and wired the batteries and chargers.

We plan to step the mast and install the motor this Saturday. With another productive week for the crews we should be ready to set sail for Marist on the 19th. A few more random thank-yous: Steve Miller, Beth, Ralph, Liz Nedwell, Timber, Schwartz, Alan, and Ingrid.

Hello Woody Sailors, and all Beacon Sloop Club Volunteers,

This year, the 100th Anniversary of the birth of Woody Guthrie we will be sailing the Sloop Woody Guthrie down to Croton for **Clearwater's Great Hudson River Revival**, on June 16 and 17, and we will need lots of helpful volunteers both on Land and on Sea to make this a success. Clearwater has been going overboard to make sure we feel welcome.

Several changes are being implemented to make this year's event as easy as possible on the Crew. We anticipate being able to utilize a specially built stairway/floating dock that will enable us to load guests from the shore-line bulkhead directly onto our Sloop. These are some of the jobs necessary to make this vast undertaking a success:

Building and testing the floating dock and stairway assembly and transporting it by trailer to Croton on June 14th or 15th, assembling and installing and removing it.

Transiting the Woody down to Croton on June 15th and returning her to Beacon on Monday June 18th

Guest sails during the festival on Saturday and Sunday. We need as many Captains and Crew as possible to make this work, and work well.

Sitting at our table/tent and signing up guests for the day's sails.

Managing the stairway/floating dock at the bulkhead to insure safety at all times.

Anchor Watch on the Woody overnight. (sleeping on board)

We now have 2 options for our Volunteers to participate:

1) IF YOU ARE A CLEARWATER MEMBER, you can participate in the Revival as a full Clearwater Volunteer. This option will require you to sign up before May 25th and commit to 8 to 10 hours of work for the Woody, either before during or after the event. As a Clearwater volunteer, you will have full weekend access to the festival grounds and music venues, access to the Volunteer Food Tent (7 free meals (Friday night thru Sunday night, plus drinks and snacks all day long), 2 Volunteer Parties Saturday night (live band at the Dance Stage, and an acoustic Jam session), and you will also receive a Volunteer T-Shirt (sells for \$30). You will need to fill out a Clearwater Festival Volunteer form, and pay the standard fee of \$51.50 to help defray the costs. There are only 10 slots available for this type of volunteer, so contact me as soon as possible, and before May 25th.

2) IF YOU ARE A BEACON SLOOP CLUB MEMBER, but do not want to pay the \$51.50 fee, nor have access to the benefits of a full Clearwater Volunteer, *we still want your help*, and we still have a good deal for you! As a Beacon Sloop Club volunteer, you can offer as much time to our effort as you can spare, and in exchange for your work on the Woody receive a one-day-only pass, with no access to the Volunteer Food Tent, and no free T-Shirt, but you will be able to enjoy some of the festival and music, when not working on the Woody, hopefully in an hour for hour exchange. If you can help out in this capacity, please get in touch with me as soon as possible, also. We need to get your names to Clearwater beforehand.

PLEASE HELP!!!!

Steve Schwartz, Tuesday night Captain, sloopcapt@aol.com
Phone: (845) 462-7756

The Spare Seat Kayak Expedition

An epic journey of over 500 miles across New York State, from the Niagara Falls to the Statue of Liberty, New York.

**At the Beacon Sloop Club
Thursday, May 17, at 8:30 pm.**

The Spare Seat Kayak Expedition is a unique adventure to capture the heritage, wildlife and iconic locations along the route across New York State. The trip began in Buffalo, which once served as the western terminus of the Erie Canal. From there it is travelling along the Erie Canal to Albany where the team will paddle down the Hudson River to Manhattan and the Statue of Liberty.

Richard Harpham and Glenn Charles are two experienced adventurers who have covered over 19,500 human powered miles between them by kayak, canoe and bike and have a passion for inspiring young people and communities through their challenges.

They will be at the Beacon Sloop Club house Thursday, May 17, at 8:30 pm. They will be sharing their experiences by giving talks about their adventures and documenting life and interviewing people they meet on their travels.

This is being filmed for a number of British press outlets. Free Info: 914 907-4928, or 845 242-7822, www.beaconsloopclub.org
<http://www.thespareseat.com/>

The Environmental Committee Proudly Presents: The 2012 FREE Winter Lecture Series Come join us for an informative evening

When: 3rd Friday of the Month, 7:00 PM
Where: The Beacon Sloop Club, Beacon Harbor, Beacon, NY (across from Metro North riverside)

Fri., May 18th, 7pm "ORGANIC GARDENING IN CUBA" a presentation by Nora Hammond-Gallardo. This lecture includes a brief history of Cuba, and photos of the country and its people and shows how gardens are built, what is planted, and how the produce is sold.

For further information: 914-879-1082, 845 463-4660,

Volunteers are welcomed for set-up, clean-up, supplying refreshments, and posting flyers.

BEACON SLOOP CLUB ENVIRONMENTAL EDUCATION SERIES

**Organic Gardening in Cuba
A Lecture by
Nora Hamond-Gallardo**

**Friday, May 18, 2012
7:00 pm
At the Beacon Sloop Club
(opposite the Beacon train station)**

**A Free
Event!**

Join Nora Hamond-Gallardo as she reviews a brief history of Cuba and explores ...

- The country and its people
- How gardens are built
- What is planted, and
- How the produce is sold.

Due to Years of embargo and lack of access to chemical fertilizers Cuba has developed an extensive system of organic farms and gardens.

Nora's father's family came from Havana, Cuba and settled in Tampa, Florida in the early 1900's where they owned a dairy farm. Her mother was born in Pinar Del Rio, Cuba and her grandfather was a veguero, a small tobacco farmer. After her parents met, they moved onto a Hudson Valley farm.

Nora's interests have led her in various directions: writing, teaching, and community work. She worked as an R.N. , taught medical and nursing assistant skills to inner-city students for the New York City Board of Education, and is the author of a short story series entitled, "Writing The Metro North" and a soon to be published novel "Marti and Anna: Out of Cuba."

Nora's interest in Cuba increased when she first visited its farms with the Center For Cuban Studies in 1993. She was impressed how healthy the population was. She continued to visit Cuban farms during her six or seven visits since 1992, and her last trip was last April 2011.
