## Serving the Hudson River with Pride for 43 Years

### A Message from Our President

Thank you to everyone who came out to the June meeting, especially to the several people who were at the club for the first time. We hope to see you again soon.

Hopefully every single member of the club can make it to the Strawberry Festival on Sunday June 12 and/or the prep day on Saturday June 11. There is lots to be done and every person- young, old, big, or small can play an important part in pulling off yet another fantastic event for the community. The club is counting on you!

In the coming weeks the Clearwater will find its way into the water from the barge where it has sat all winter undergoing major repairs. The completion of Clearwater's work is important for the Sloop Club too because it will mark the resumption of full time work on the Woody's restoration. Before long things will be bustling in Kingston for the boat and the club and I encourage everyone to find the time to come and see first hand the remarkable work that is being done to get our beloved vessel sailing on the river again.

This will no doubt be an exciting summer for the club. Thanks for being a part of it all.

## Beacon Sloop Club General Meeting

Minutes, Jun 3, 2016

The meeting opened with the song "It's Clearwater". This was followed by welcoming several new people to the meeting from Connecticut, Newburgh, Queens and Beacon.

In Sarah's absence, James gave the Treasury Report. The opening balance was \$254,224 and the closing was \$ 272,420.

June 12 is the Strawberry Festival. Rosemary Thomas, Susan Berliner and Tom LaBarr. This is our 40<sup>th</sup> festival. Its purpose is to bring people together, celebrate the River and the bounty of the Valley and is our face to the public. Everyone is needed to participate and we were updated us on how we can volunteer. Kaitlyn O'Hear requested vegan options.

Alan Thomas reminded the Woody volunteers to look for the new log book. We are now organizing our record keeping because of the NYS grant we were approved for.

June 19 in the afternoon, a potluck picnic & party will be had at the Kitchewan Lodge at Croton Park. Bring instruments. This will be a group of Clearwater friends but not a Clearwater event.

The lecture series was wrapped up with a talk on Microplastics. Thanks to all who have been involved with the series and if you have any ideas for next year send them to Steve Van der Merwere or Alan Thomas.

Steve Schwartz announced that The Day at Sloop Brewing event sold 82 tickets (reaching many new faces) and netted \$4300 for the Woody restoration. He thanked all the volunteers, musicians and the business donors, whom he hopes we will support.

David Eberle said the Beacon Chamber of Commerce has asked the Sloop Club to host a Beacon Business After Hours event. We agreed to schedule it on Monday July 11. Volunteers are needed to clean the day before, bring food and provide music. Contact Dave.

## STRAWBERRY WORKERS of the WORLD UNITE

The Strawberry prep party for this year's **Strawberry Festival** will be on **Saturday, June 11<sup>th</sup>** at the LaBarr's house. Please plan on helping us prepare for the festival. The Local Strawberries will be delivered about 10:00. We need to wash, hull, slice and freeze about 1/3 of the berries. Lunch will be served when we are finished with the berries. Then we have to mix all the dry ingredients for the biscuits. We will be serving **STRAWBERRY DRINKS** and **CHOCOLATE COVERED STRAWBERRIES** all afternoon and into the evening. Then we clean up and party till we drop. We are located at 1347 Route 9D, 5th houses north of Route 84 on the riverside. It is a red house.

**NOTE: This is not a potluck; all food and drink are provided. Musicians bring your instruments for the party.**

**Please call or email us if think you are going to be able to make it. We need to know the number of people, so we can have more than enough food and drink available.**

## A Day At Sloop Brewing Was a Day To Remember!

What have we learned? Hops talk.

On a warmish, windy Saturday, May 14<sup>th</sup>, one hundred and twenty one lucky souls found their way to the Sloop Brewing Company in Elizaville, NY, for the first annual “Day at Sloop Brewing Co.” – a fantastic fermented fundraiser for your favorite ferry sloop. Many thanks to all those dedicated folks who worked so hard to make this event a resounding success for the *Woody*! Thank you to everyone who gave so generously of their time, money and energy to drive all the way to Elizaville to join us in raising funds to restore our beloved boat.

We spent the day in a farm field, feasting under festival tents, sampling a bottomless array of wonderful beers, and listening to great music provided by our own Mark McNutt and The Lost Ryders, Rick Nestler, Bob Torsello and Shrub, as well as CREW and The Lost River Traveling Blues Band. Another highlight for many was the porcine portion of the event – the pig herself being an elegant exemplar of recycling, having been raised on post-brewing hop mash donated to Silver Lining Farm by Sloop Brewing, then donated to the event by the farmers, Kim and John Shea.

Attendees were also welcome in Sloop Brewing’s taproom, housed in an historic 19<sup>th</sup> century barn in Vosburgh Orchards, a 134 acre apple farm in Columbia County, owned and operated by the same family since 1839. Our friends Justin Taylor and Adam Watson, owners and founders of Sloop Brewing, generously donated the venue, and were on hand for lively and informative brewery tours. A raffle for tubs of beers donated by Half Time in Poughkeepsie netted over \$750, and Beacon’s own All You Knead Bakery and MoreGood Beverages donated generously as well.

Together, we netted over \$4000 toward the *Woody*’s restoration.

So raise your *Woody* mugs to Captain Steve and our questionable crew of similarly insane diehard fundraisers who spent many a cold winter evening organizing, preparing and training for this event.

What? Don’t have a *Woody* mug?!? No problem! You can buy yours at the Strawberry Festival on Sunday, June 12. It’s never too late to support the *Woody Guthrie*!

## Legislation Threatens Local Environmental Regulations

(<https://www.nysenate.gov/.../bi.../2015/a9904/amendment/original>) in Albany aims to ban plastic bag fees throughout NYS. This is TERRIBLE news for our State's waters that are inundated with sewer outfalls that routinely discharge trash, including plastic bags! Please, please, please call/write your representative and Assembly Speaker Carl Heastie and ask him to oppose Bill A9904, and not bring this vote on the Assembly floor!

### Cuomo Announces Upgrade to Walkway

On Monday June 6 Gov. Andrew Cuomo visited the Walkway Over the Hudson State Historic Park to announce the state will contribute \$4 million toward welcome centers on both sides of the pedestrian bridge. Construction on both centers is scheduled to begin in the next two years.

One million dollar is targeted for the Poughkeepsie center, where construction is slated to begin in 2018. Three million dollars is slated for the center on the Highland side, which is scheduled to open in 2017.

Cuomo highlighted the potential boost to tourism and the local economy.

## Wednesday, 6/15 & Thursday, 6/16 Speak Up—Protect Your Wallet and Your Water

The Public Service Commission (PSC) is holding information sessions and public statement hearings on Suez Water New York's new request to increase water rates and add a surcharge to your bill.

#### Don't get stuck paying for millions in corporate waste

You helped defeat Suez Water's wasteful and expensive desalination plant—but you've got to turn out again to protect that victory and your wallet from increased water bills to bail out the water company's failed plant.

The cost of the water company's wasteful, leaking technology and failed desalination plant idea shouldn't be your bill to pay.

#### Call for smart water use and fixing costly leaks

Saving water today helps reduce bills and helps avoid expensive and environmentally damaging water supply schemes in the future.

#### Tell the PSC you deserve a fair deal

Suez Water proposes to do the bare minimum to promote conservation and fix leaks. Rockland deserves better! Tell the PSC that Suez Water must do more on water conservation and leak repair—the company plan to repair leaks doesn't even meet average industry standards.

#### YOU'RE NEEDED—Attend one of these meetings:

Woody and Clearwater work parties gather for lunch

### The Woody Report

Most of our volunteers last week spent their time helping out on the Clearwater as many hands were needed to get her ready to launch.

We have fabricated our first full futtock and it's ready for installation after replacement of the stem knee. Stock has been acquired for the new and improved mast step and fabrication is underway.

## Microplastics

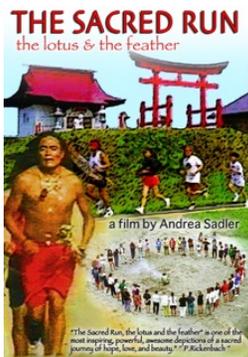

Our winter lecture series concluded with Joshua Kogan as he discusses the sources and impacts of microplastic pollution, both globally and locally, through his work as the Trash Free Waters Program Coordinator for the U.S. Environmental Protection Agency (EPA).

Microplastics (small pieces of plastic below 5mm) have recently been found in oceans, streams/ivers (including the Hudson), lakes (including the Great Lakes), drinking water, various species' bodies, polar ice caps, milk, beer, honey, and even the atmosphere. This is not just micro-beads, but also the result of the breakdown of macro plastic products, and the widespread use of synthetic fibers. It has been estimated that 236,000 metric tons of micro plastics wash into the oceans each year, much of that passing through the rivers and streams.

Josh showed data that he has collected from the Hudson River and other bodies of water showing the pervasiveness of the problem and the huge variety of sources, from plastic bottles to cigarette butts swept into storm sewers.

## THE SACRED RUN; the lotus & the feather: with Andrea Sadler.

A stunning inspirational portrait of individuals committed to peace. At each screening Ms. Sadler invites a local Native Elder to lead an opening blessing and ends with a circle ceremony where hearts and minds are shared. Ms. Sadler will be available after the film screening for a Q & A. Free.

doors open 7:00 p.m.

## Pete's Potluck Picnic.

If you are feeling a little nostalgic for Revival and the River - here's the answer. Pete's Potluck Picnic.

This is an impromptu party, not an event, it has no connection to the Clearwater organization. It's just friends getting together on Father's Day as many have done for years in the past.

Here is the info on Pete's Potluck Picnic.

Croton Point Park  
Sunday, June 19th, 2016  
Noon to 6 PM

At the Lodge, near the camping for RV vehicles. Up the hill from where we usually are.

Tell the park attendant you are there for Pete's Potluck Picnic and the parking fee will be waived.

Bring food to share. We will have paper goods and drinks.

Come prepared to eat, play, make music, talk and enjoy the River. A donation to help float the boat is welcome.

All are welcome!
