

2023 General Festival Info for All Vendors

The Beacon Sloop Club welcomes you to participate in our 2023 festival season!

The BSC is an all-volunteer nonprofit environmental organization. We hold three festivals a year (rain/shine, noon-5 pm). Our festivals raise funds for our educational sailing vessel, the *Woody Guthrie*, and help build a community of environmentally-aware citizens. We will observe all applicable Covid guidelines and appreciate your support.

All of our festivals are free admission for the public.
